'...Should I
answer, or not'

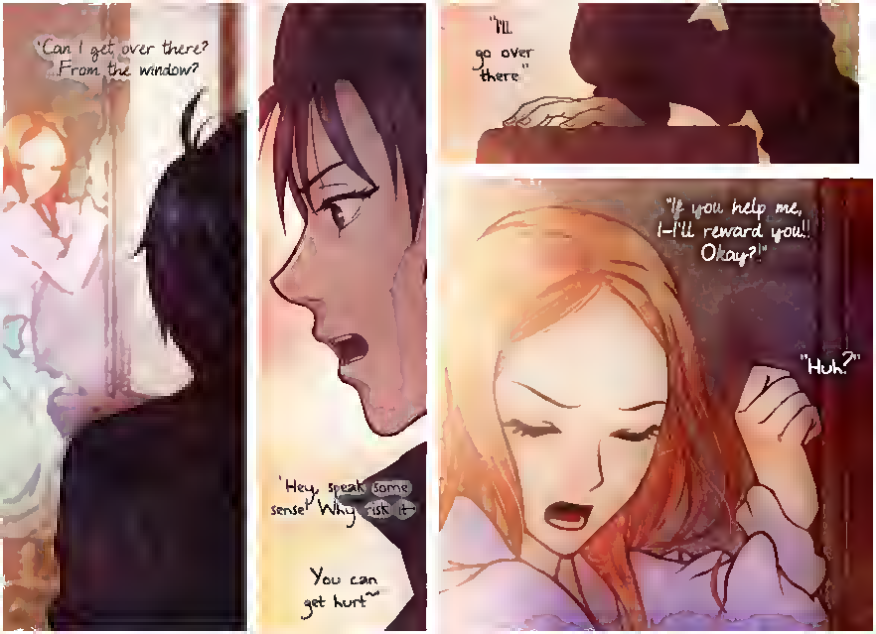
He contemplated for a
while as he stood on the fence
He answered reluctantly,

'You,
why are you hanging
from the window?'

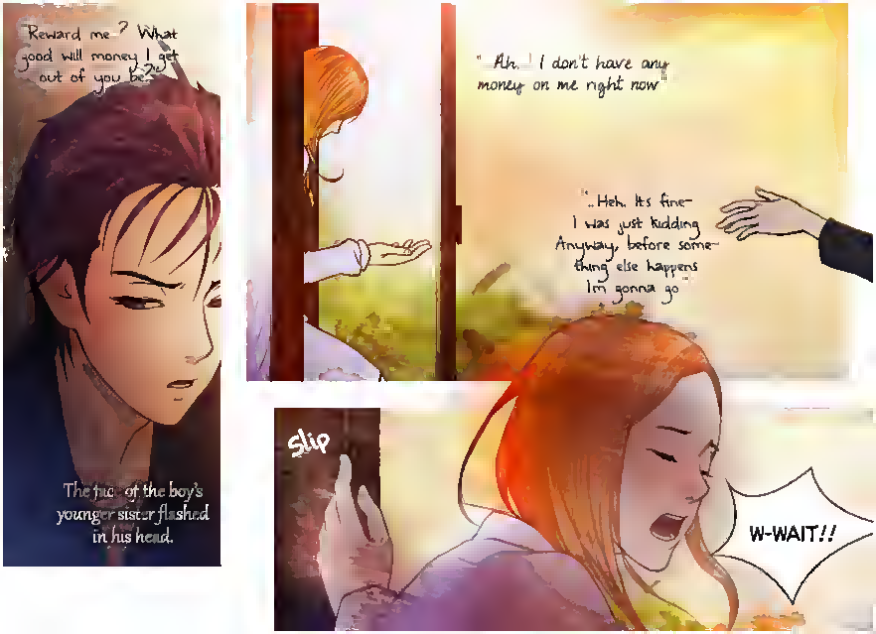
CTN AJUSSI - A TERM USED FOR MEN MUCH OLDER THAN YOU (USUALLY DAD'S AGE OR OLDER)

"Who are you calling an Ajussi? We look to be around the same age! Tsk!
"...Is that so? I'm sorry. You're voice is just really husky.
"Its fine, it's nothing to be sorry about!"

"That's great! Please help me!"
"Huh ?!"
"Can you please help me get out of here? I want to be back on the streets again like I was yesterday!"
"...What are you talking about all of a sudden?"



"Can I get over there? From the window?"
"Hey, speak some sense! Why risk it?"
You can get hurt~
"I'll go over there."
"If you help me, I-I'll reward you! Okay?!"
"Huh?"



Reward me? What good will money I get out of you be?
The face of the boy's younger sister flashed in his head.
"Ah. I don't have any money on me right now"
"..Heh. It's fine- I was just kidding Anyway, before some- thing else happens I'm gonna go"

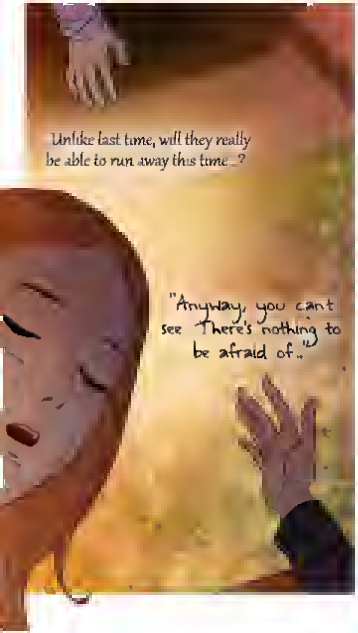
"Ever since the accident, everything's been weird."
Although I can't see, so many things seem out of place.
There has to be clues somewhere out there.
I think I might find something out on the streets.

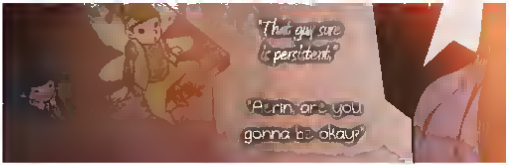
Even though I can't see.

"I'm begging you. I'll give you the little money I have."
"I don't need it!"
"What?"

"I'm going to help you. Don't talk about the money anymore.
Although your story isn't that convincing.
"So, you believe me?"
"Huh...?"
"Even though I can't see anything, you still believe me."
"So jump out of there."
"What?"
"It's far out as possible I've got you."



Unlike last time, will they really be able to run away this time...?
"Anyway, you can't see. There's nothing to be afraid of."



"That guy sure is persistent."
"Perrin, are you gonna be okay?"

"Yes! ...I'll be fine. I have you guys watching over me..."
"Sigh. Fine."

caught the girl, fell ... the fence and landed on ... of a car
"Ow ow..."
"You. Alright?"
"Hmph! Of-Of course! Actually instead of talking about money, you know, you dropped a book yesterday. That book, my little sister really likes it."
"Could you give it back to me?"
"Huh...? Are you saying that you're the author of that book?"
